Insurance Changes

2021 USA Cycling policy change has disease exclusion.

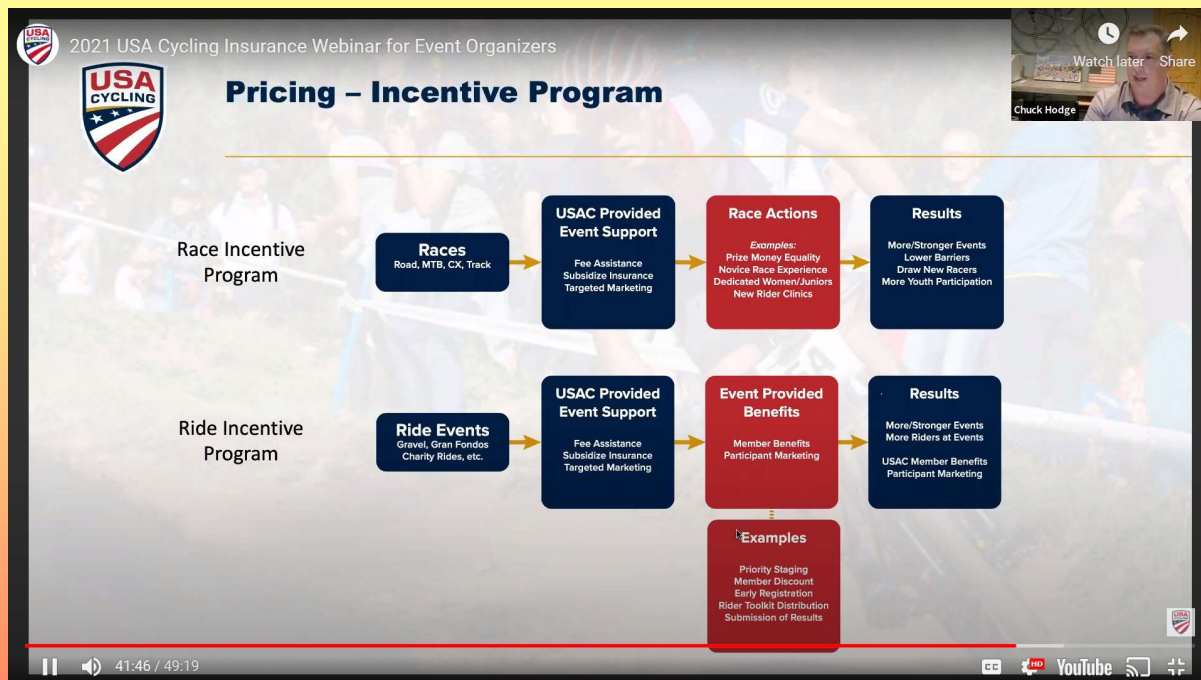

COVID is now considered an inherent risk to participating in a cycling event

With the wide spread of COVID, proving it was contracted at an event will be next to impossible.

Comply with Federal, State, Local mandates. Utilize USA Cycling guidelines & Risk Assessment & Mitigation tools

Rate increase to \$5 per rider day. Opportunity to reduce to \$4.70

Race/Ride Incentives

Meet 4 of 8 items, USAC will reduce insurance costs from \$5 to \$4.70

Race Event Incentives:

- Prize money equality
- Dedicated Junior race
- Dedicated Women's race
- Novice race experience
- New racer clinics
- Upload results within 48 hours
- Utilize BikeReg
- Family Entry Discount

During permitting, watch for check boxes to indicate which events meet criteria.

Each incentive item detail is specified in USAC document
